To whom it May Concern,

I am writing to ask you to grant petition
98P-0151/CPI - to prohibit the slaughter of
Downed Animals.

Animals that are too sick to move or stand should
never be considered for human consumption. There
is also the fact that these animals are treated
with no compassion w caring, treated so inhumanely
that I'm ashamed to be called human - if that
is the example of how in humane we are.

They have feelings, they suffer pain and their
lives should not end with such hardship!!

I am asking for your support to stop the
slaughter + mistreatment of Downed Animals. It is
unnecessary + cruel. Help the animals, please!!
for the animals -

**MAN'S INHUMANITY TO MAN
IS ONLY SURPASSED BY HIS
CRUELTY TO ANIMALS**

The World's Need

So many gods, so many creeds,
So many paths that wind and wind,
While just the art of being kind
Is all the sad world needs.

I am the voice of the voiceless;
Through me, the dumb shall speak;
Till the deaf world's ear be made to hear
The cry of the wordless weak.
From street, from cage and from kennel,
From jungle and stall, the wail
Of my tortured kin proclaims the sin
Of the mighty against the frail.

For love is the true religion,
And love is the law sublime;
And all that is wrought, where love is not—
Will die at the touch of time.
Oh, shame on the mothers of mortals
Who have not stopped to teach
Of the sorrow that lies in dear, dumb eyes,
The sorrow that has no speech.

The same Power formed the sparrow
That fashioned man — the King;
The God of the whole gave a living soul
To furred and to feathered thing.
And I am my brother's keeper.
And I will fight his fight;
And speak the word for beast and bird
Till the world shall set things right.

— Ella Wheeler Wilcox

“We cannot have two hearts, one for the animals, the other for man. In cruelty toward the former and cruelty toward the latter, there is no difference but in the victim.”

Alphonse De La Martine

“Now what is it moves our very heart, and sickens us so much at cruelty shown to poor brutes? I suppose this: first, that they have done us no harm; next, that they have no power whatever to resistance; it is the cowardice and tyranny of which they are the victims which make their sufferings so especially touching;...there is something so very dreadful, so Satanic in tormenting those who have never harmed us, and who cannot defend themselves, who are utterly in our power.”
